I have been associated with the organization for the past 12+ years. I am proud and honored to be a part of this esteemed organization. The company has gone through different phases during my tenure owing to the unstable economy prevailing in the international market and I am happy to have contributed to the success of the organization. In this journey, I have learnt quite a lot with the diverse roles and responsibilities. I thank the organization for giving me this opportunity, wishing the very best and abundant success in all future ventures.

Ravikumar G
